

Alpha & Omega

NEW ADDRESS

Issue #31, 7/10/94

Alpha & Omega is the official zine of the Miller Number Custodian. Published by: Lee A. Kendter, Jr., 1503 Pilgrim Lane, Quakertown, PA 18951. (215)-529-7552.

Subs are \$.75 (USA), \$1.00 (Canada), \$1.50 (overseas) per issue. Back issues are available. If interested, please let me know which issues, and I can give you a price to get the copies.

I am looking for large blocks of old zines that dealt with variants. If you have a large block to contribute I would appreciate it. I will pay postage up to \$2.90 without question. If the blocks requires more and you want postage and other costs, please write me with the list of zines and what you want for them.

If anyone wishes to submit articles on variants, I will include them in future issues of A&O.

French Translator Wanted

I have a decent number of variants in the bank that have rules in French. In addition there is a large block available, if I ask for them. If someone is interested in translating them, please let me know. I would like to have the games available in English.

Abandoned Games

If you know of any games not played for at least a year, please let me know.

Corrections

The first two years where missing from these games.
